**OBJECTIVE:** Physicist position with either the government or a nuclear utility

**SUMMARY:**

- Nuclear Physicist Internship with the U.S. Nuclear Regulatory Commission
- Extensive research experience in Relativistic Heavy-Ion Nuclear Physics
- Magna Cum Laude graduate
- Outstanding Undergraduate Research Award

**EDUCATION:** **Bachelor of Science in Physics, Expected May 20xx**  
*The University of Kansas*, Lawrence, KS  
Graduated Magna Cum Laude with a GPA of 3.6/4.0

**Relevant Courses:**

Quantum Mechanics I & II	Nuclear Physics
Electromagnetic Waves	Elementary Particles
Numerical Methods	Thermodynamics
Astrophysics	Laser Electro-Optic Techniques

**RELATED EXPERIENCE:** **Undergraduate Research Assistant**, August 20xx to May 20xx  
*Department of Physics, The University of Kansas*, Lawrence, KS

- Focused on the area of Relativistic Heavy-Ion Nuclear Physics
- Group is a member of the *BRAHMS* (*Broad R*ange *H*adron *M*agnetic *S*pectrometers) collaboration using the Relativistic Heavy Ion Collider (RHIC) at the Brookhaven National Laboratory

**Nuclear Physics Internship**, May to August 20xx  
*U.S. Nuclear Regulatory Commission (NRC)*, Rockville, MD

- Worked with the Regulation and Assessment Team
- Gathered preliminary reports and information for audit of active reactors, including comparison against previously filed data for consistency and accuracy
- Assisted in the development of the final audit assessment report for the Point Beach Nuclear Reactor facility

**Professor's Assistant**, August 20xx to May 20xx  
*Department of Physics, The University of Kansas*, Lawrence, KS

- Served as an assistant to Professor Valliant, Associate Professor of Physics
- Prepared course syllabus and handouts for Introduction to Physics class
- Assisted in grading tests, term papers and term projects

**ACTIVITIES:**

- Treasurer, Physics Club, 20xx-20xx, Member 20xx-20xx
- Historian, Phi Beta Kappa Honors Society, 20xx-20xx
- Member, Chess Club, 20xx-20xx
- Junior Science & Humanities Symposium Volunteer - helped coordinate assistance for exhibitors showcasing science projects, 20xx
