OBJECTIVE:

To obtain a full time position within the scientific side of environmental management

EDUCATION:

Bachelor of Science, Environmental Studies

May 20XX

The University of Kansas

Lawrence, KS

- Chemistry Minor
- Overall GPA: 3.6/4.0

RELEVANT COURSEWORK:

GIS (2 semesters)
Environmental Law
Organic Chemistry

Soil Geography
Environmental Chemistry
Environmental Impact Analysis

Analyzing Geographical Data
Environmental Geology
Environmental Planning

RELEVANT EXPERIENCE:

Wetland Manager

January 20xx - Present

Douglas County Department of Environmental Management

Lawrence, KS

- Collected and maintained flow data of surface and sub-surface constructed wetlands that received either aerobically treated or untreated landfill leachate.
- Treated both surface and sub-surface wetlands with molasses, which acted as a carbon source.
- Analyzed effluent of wastewater treatment plant to insure compliance of acute toxicity testing.
- Presented data to the Environmental Technicians at the site using Microsoft Excel.

Environmental Field Scientist

Summer 20xx

JFK Consortium

Leawood, KS

- Performed soil and groundwater sampling and recorded appropriate data.
- Assisted with construction oversight during underground storage tank removals.
- Supervised installation of monitoring wells and soil borings.

Office Assistant

June 20xx - June 20xx

Environmental Safety Center

Mission, KS

- Organized and set up materials and equipment for environmental and safety training courses.
- Performed administrative and supportive duties as assigned.

SKILLS:

Scientific:

- Vegetative sampling techniques: quadrat transect and point-quarter
- Population estimation techniques: mark-recapture and capture-removal
- Basic wetland delineation
- Report writing
- Topographic mapping statistical analysis
- Plant and animal identification
- Concrete sampling
- Sludge testing

Certifications: 40-hour OSHA Hazwoper, First Aid, CPR

ACTIVITIES:

- Student Union Activities Member, 20xx - Present
- KU Environs, 20xx Present
- March of Dimes, Participant on a student team, 20xx
